Dear Parent/Guardian,

ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school. This is especially important as young children may not have skills required to use roads properly and do not always fully appreciate the dangers presented. Their small physique also makes them less visible to motorists.

This letter reiterates the road safety policies of the school:

- a. Reduce vehicle speed and stay alert for pedestrians in the school zone.
- b. Cooperate with traffic marshals to ensure overall safety and smooth traffic flow.
- c. Let your child alight only at the designated drop-off point.
- d. Be advised not to violate traffic rules by driving recklessly or making illegal maneuvers.
- e. Do not sound the car horn indiscriminately.
- f. Help your child alight from the car as quickly as possible.
- g. Reinforce correct road safety behaviour such as using the pedestrian crossing, avoiding jaywalking or using a hand phone while crossing.
- h. Remind your children to practice the kerb drill before crossing - "look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly".

On Behalf of SPF and LTA, we appreciate the co-operation of parent and guardians in helping to educate our children on road safety.

Your partners in education,

Mr. Benedict Keh
Principal
