# Reflection by Emma Ng, Class 2B

“My Co-Curricular Activity (CCA) experience has been very enriching as it gives me opportunities to express myself. I acquired knowledge, skills and values. Going to Drama classes gives me this sense of excitement and I discovered that I could express myself confidently during acting exercises.”

# Reflection by Jing Xuan, Class 3E

“My time in ELDDS has been an exciting adventure. ELDDS has taught me teamwork and confidence through nationwide and school events like Singapore Youth Festival and Aesthetics Day. I can still remember when the CCA members and I worked together to prepare for our performance for Aesthetics Day. This allowed me to bond with my CCA members and make many new friends.”
