Reflection by Ai Yuxin, Class 3C

“As the President of NPCC, I’ve learnt to step out of my comfort zones to lead others. Previously, I was a shy girl, but my teachers saw my potential and decided to give me opportunities to lead. I overcame many challenges in my leadership journey and learnt important values such as responsibility, discipline, and teamwork. With these values, I am sure that it will make me a better person in future.”

I also had the opportunity to participate in interesting activities, such as .22 revolver shooting and online Crime-Scene Investigation (CSI) competition. I encourage my friends and juniors to join NPCC.”
