Reflection by Jegan Oviyaa, Class 3E

“ILDDS has helped me to improve my confidence and honed my soft skills as I have been given the opportunity to lead my peers as the Vice-president (2021) & President (2022). ILDDS has played an important role in uncovering my passion for Indian dance, which I never knew I had. The seniors and teachers showered us with tremendous affection and support, thus allowing us to stay resilient and persevere even during the pandemic.”
