Dear Parents/Guardians,

School Revision of Subject Based Banding (SBB) Criteria

In view of the school's implementation of Full Subject Based Banding (FSBB) next year, the school has carefully reconsidered the criteria for students to offer subjects at a higher rigour. FSBB is part of MOE's ongoing efforts to nurture the joy of learning and develop multiple pathways to cater to the different strengths and interests of our students. In order to support more of our students to develop in their respective areas of strengths and interests, the school is introducing a revised criteria for SBB effective from Mar 2022. Students are strongly encouraged to continue their SBB subject at least until the end of Sec 2, in order to give themselves sufficient time to get used to the demands.

	Revised Criteria (as of Mar 2022)
For students to offer a subject at a higher rigour at <u>mid-year</u> this year	≥ 70% in subject AND Teacher's recommendation
For students to offer a subject at a higher rigour at <u>end of this year</u>	≥ 70% in subject AND Teacher's recommendation
